by Hans Christian Andersen and produced by Dianne Bean - Fairy tales take us out of our everyday lives into magical lands filled with possibilities that excite and expand the imagination. Many times the phrase "fairy tale" is used to describe tall tales or other stories that not only aren't true but couldn't possibly be true. Can Fairy Tales Be True? | Wonderopolis - Only True in Fairy Tales is a magical gem of a novella; however I almost wish that it had been a full length novel as I felt there was so much more to these characters that we could discover and I would love to get to know them a little better.
